# OCTO.PY

PLAY

IMAGES

"Play"

0:43

countdown timer tells you
how much time is left to
click on the octopus. Time
decreases with each
octopus found (or number
of octopi increases?)

"Images"

If a default image is selected, buttons become "use" or "dont use". Unused defaults are greyed out

If an optional image is selected, "delete" is an option too

"upload" brings up a file dialog box

"search"

"Capture"

CANCEL
